The Street Quartet is designed for the toughest environments and is the ultimate urban outdoor music ensemble.

The urban realm is a harsh and demanding environment, and this quartet consisting of; Large Babel Drum, Handpipes, Emperor Chimes and Cajon are all made from elements of 316 stainless steel, aluminium, and HDPE for ultimate durability. Their clean, attractive finish achieves superior robustness with high corrosion resistance, suited to all areas.

What we love most is that they are all designed to be played with the hands - so no mallets are required!
